HPSCI

Honorable William J. Casey  
Director of Central Intelligence  
Washington, D.C. 20505

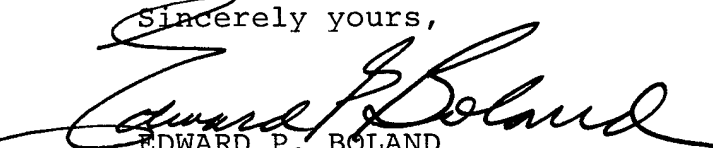

Dear Mr. Casey:

Now that the President has announced his position on strategic arms control, it is important to begin preparing the basis for informed Congressional participation. Clearly, the subject of verification is one which will be of considerable interest to this Committee. Considering the difficulty of that subject, it makes sense to begin talking about it earlier rather than later. I am therefore requesting that you or an appropriate representative brief the Committee on Monday, May 24, 3:00 p.m., in what must, of course, be a preliminary way, about the monitoring requirements of an agreement along lines proposed by the President.

Mr. Leon Fuerth of the Committee staff will be available to provide detailed guidance on the range of issues that are likely to be raised by Members in the course of this briefing. Mr. Fuerth's number is 225-0788.

With every good wish, I am

Sincerely yours,

  
EDWARD P. BOLAND  
Chairman
